

ABSTRACT SUBMISSION

The Organising Committee invites you to participate in the MSSA 2016 conference programme by submitting an abstract for presentation in the **Scientific Programme** (6-8 December, 2016) or in the **Technical Forum** (5 December, 2016).

SCIENTIFIC ABSTRACT SUBMISSION

Abstracts can be submitted for oral or poster presentation in one of the two sub categories of Materials Science or Life Science. Abstract submission should be done in accordance with the criteria set out on the online submission page and submitted using the online form. The abstract should be of an academic or scientific nature pertaining to results of research obtained through the use of microscopy. Accepted abstracts will be published in the conference proceedings. The abstract submission deadline for scientific abstracts is **31 July 2016**. Abstracts can be submitted by following the link below.

SUBMIT ABSTRACT

THE TECHNICAL FORUM

The Technical Forum is a platform for the presentation of new or novel developments in instrumentation, techniques or sample preparation by members of the trade or the microscopy community. The Technical Forum is not for presentations of an academic or scientific nature. The abstract submission criteria for the Technical Forum is less stringent and only requires a 150 to 250 word paragraph without images or references. Accepted Technical Forum abstracts will not be included in the conference proceedings but only in the conference program. The abstract submission deadline for Technical Forum abstracts is **31 October 2016**. Technical Forum abstracts can be submitted by following the link below.
